Re: Petition for Reconsideration of Order and Authorization, IB Docket 02-286

Dear Mr. Goldberg, Ms. Kiddoo and Mr. Gagnier:

We currently have before us PC Landing's petition for reconsideration of the October 8, 2003 decision in IB Docket 02-286, and the responsive pleadings thereto. Footnote 14 of the November 7, 2003 petition stated that PC Landing was preparing and would file as soon as possible an application for Commission consent to the involuntary transfer of the PC-1 license to the bankruptcy trustee appointed in the Asia Global Crossing bankruptcy case. We request that counsel for PC Landing provide us within 14 business days of the date of this letter the status of PC Landing's proposed filing. We also request that counsel for PC Landing and for Global Crossing provide us within that timeframe the status of any ongoing matters that may relate to the pending petition for reconsideration.

Sincerely,

A handwritten signature in black ink that reads "James L. Ball".
